

Caribbean Business Park is a thriving business park in Melbourne's south-east. For over 20 years Wilkore has been building for, and helping to grow, this prestigious business estate.

The park comprises of 185 hectares, plus the 15 hectare Lake Caribbean and associated wetlands. The landscaped environments, open spaces and water vistas create a unique setting for business. The combination of offices, manufacturing and logistics precincts, technology-based incubators and campus style facilities makes Caribbean Business Park a unique location to base your business

As well as providing design and construction services to the park, Wilkore is actively involved in master planning, designing and supervising the installation of infrastructure in this privately owned estate. This involvement at every level of the park has been used by many of our long-term clients. We are able to provide them with solutions that best utilise their site and surrounding environments for their current and future capacities.

The relationship between Wilkore and Caribbean Business Park has generated 26 buildings being built as well as hundreds of smaller refurb and maintenance jobs for clients such as Hallmark, Gillette, Aspen, Russell Athletics, Coles Myer, Panasonic, Paperlinx, Linde Materials Handling, WEG and Thermo Fisher Scientific.
